Additional funding for MSC Town Hall Battle of the bands program

General Description:

MSC Town Hall Battle of the Bands is a competition to find the best local band on campus.

Request Type: Full Increase One-Time Partial/Matching

General Questions:

How does this increase impact students, and what motivated this request (needs, strategic planning, etc.)?

Battle of the Bands provides quality diverse entertainment for Texas A&M University students. Student bands compete with each other while providing music entertainment to the student population. Through a series of preliminary rounds and the finals, hundreds of students have the chance to experience the musical talent possessed by their peers. Additional funding is needed to cover increased location and equipment costs due to the renovation of the MSC. These additional funds will help MSC Town Hall provide ample space for growth of the program and provide quality equipment for the bands to use during the competition.

Have other sources of funding (fundraising, sponsorship, membership dues, etc.) been considered? Please explain.

Battle of the Bands currently receives existing funding and plans to also seek external sources of funding for the program (e.g. Reveille Club of Houston, corporate sponsorship, etc.).

Generally, what assessment tools will you use to evaluate this program/service?
