#### Annual Report (cont.)

<u>Additional Questions:</u> (to assist the Board when informing the student body about stewardship of the University Advancement Fee)

Briefly, what recent programs/services have been successful? Which need work? Explain.

For the first time last year, we hosted an SGA Tailgate to bring awareness to the organization. Attendance was high, SGA committees were able to network and recruit, and donations were collected for the Student Veterans Association on campus.

We also partnered with the TAMU Libraries staff last year to create a new award for faculty with an emphasis on those who produce open access materials for their classrooms. Those efforts were very successful, and we plan to continue to develop and grow those awards. Additionally, we are exploring the idea of working with academics to start a leadership course elective for SGA leaders.

Our ChallengeWorks program has been successful in terms of leadership development and team building within SGA in the past. We took a year off from doing the program this past year, but we plan to bring it back this academic year.

We are also looking to expand on the number of all SGA events that we offer both to SGA students, as well as, the general student body this year. In the past, we have offered various leadership workshops and a speaker series in an effort to engage and develop students. Those programs were discontinued because of low attendance so we are looking for another way to bring students in to SGA and keep them engaged.

What do you see as your department's financial priorities in the next 3 – 5 years (FY18-FY22)?

In the next 3-5 years, the SGA Pathway to Success Brick Campaign will be complete. All of the bricks will be sold, therefore, we will need to focus on new initiatives to fund our endowment, which currently holds a balance of \$300,000. Our goal for the endowment is \$1M. One initiative that will contribute to our development efforts is Aggies Got Talent, our all-campus Talent Show which is slated to return for its third year in February 2017. In the next few years, we will be working hard to identify additional fundraising programs that can fill the void of the brick campaign when it is completed.
